

STRENGTHS & OPPORTUNITIES

- He is highly competitive and has a very strong work ethic, with an enterprising style and will not be afraid to try new approaches to solve problems
- He is very good at seeing potential issues before they arise and he will navigate a path around them, yet also will be able to make adjustments when things do not go to plan

CHALLENGES & THREATS

- He may become frustrated by colleagues who do not share his drive and commitment for effective results
- He may resist close supervision from others, preferring to control his own working environment

CONCLUSION

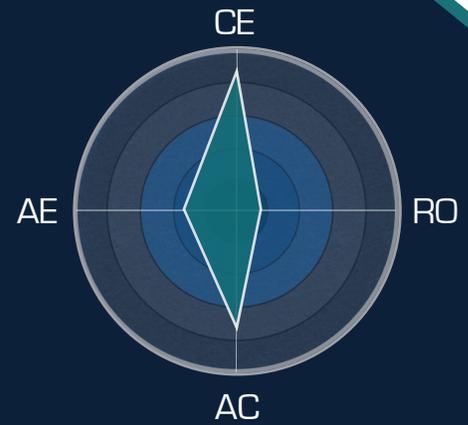

Chris is a very balanced learner. He has talents in the Accommodator and the Convergent quadrants. He is very active and busy. He will want to hit targets and tangible goals daily due to his high work ethic and his determination to succeed. He is naturally outgoing and will enjoy interacting with others. He also has strong Converger traits which gives him a balance of analytical talents to view things unemotionally and logically in the moments those talents are needed. Convergents are also good at Focusing (Focus) which is a talent that keeps him on track.

His emotive talents of Competition, a High 'D' (drive) and Activator gives him the drive and push to Win. He is a Learner and also possesses Ideation which gives him a natural tendency to learn and discover. Input is also a talent that goes along with Learner. People with Input crave more information and knowledge and like to archive all kinds of information. Chris has a tremendous amount of information that is at his 'finger-tips' which he utilizes as he writes screenplays for movies.

Along with Strategic, Chris has Restorative as a talent. He is capable of solving problems in an environment of very complex issues, but more importantly he can see the correct patterns to follow that solve issues long before they occur.

He is flexible and Adaptable when he sees complex new patterns. He is capable of arranging (Arranger) things in a way that will maximize all the pieces and resources for maximum productivity.

Lastly, Chris has a high 'C' for (Compliance) which means there is nothing left to chance and everything he does is driven to reach the highest levels of quality.

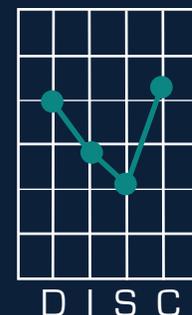

LEARNING STYLE
BALANCED

1. Strategic
